

# Clean Hand Pouches

by Sherry Titzer

<http://www.atimetostitch.com/>

See the text files provided with your designs for specific supplies and fabric cutting directions. Pouches were designed for the small 2 oz size Purell hand sanitizer.

1. Prepare ribbon as instructed in text file.

2. **Front Pocket:** Stitch outline on stabilizer, no fabric yet.

3. Remove hoop & center fabric over the outline, tape in place at corners.

4. Flip hoop over, center felt over outline, tape at corners and put hoop on machine.

5. Next color stop tacks fabric/felt down and stitches 1<sup>st</sup> color in design.

6. Continue stitching design following color order in text file.

7. Trim curved edge at top on both sides of hoop.

8. Next step stitches satin edge along curved edge of pocket.

9. Remove from hoop and trim sides & bottom close to outline. Run wet rag along top. Set aside.

10. **Pouch base:** 1<sup>st</sup> color stitches outline & short placement lines at top to add ribbon on stabilizer (no fabric yet).

11. Remove hoop, flip hoop over. Center felt over outline. Center fabric over felt. Tape at corners.

12. Flip hoop to right side. Tape ribbon between placement lines (ribbon end 3/4" from outline, folded top wrong side up)

13. Center fabric over outline & ribbon end. Tape at corners, put hoop on machine.

14. Next color stop tacks fabric down and secures ribbon.

15. Remove hoop, trim fabric/felt close to outline on both sides of hoop. Do not cut the ribbon!

16. Center pocket over design keeping bottom and sides even outline. Tape in place at corners. Put hoop on machine.

17. The next step stitches the pocket down

18. Remove hoop, trim fabric around pocket close to outline. Put hoop on machine.

19. Last step stitches satin edging around pouch. Trim from stabilizer, run wet rag along edge.

20. Install snaps following snap manufacturer instructions.
